

2WIN Software Translation Instructions

2WIN Software is available in the following languages:

- English
- French
- German
- Italian
- Spanish
- Portuguese (BRA)

The default language for 2WIN Software is English.

Follow these instructions to load a different language pack in your 2WIN:

1. Connect to the following website <https://www.adaptica.com/products/2win/> and scroll down to Technical Information > SOFTWARE TRANSLATION section
2. Download the translation file of interest on your PC
3. Connect 2WIN to your PC through the MicroUSB cable
4. Create new folder named 'TR' in the root directory of the MicroSD card
5. Copy the translation file in the 'TR' directory
6. Safely remove the MicroSD device from your pc and disconnect your 2WIN from the PC
7. Reboot your 2WIN
8. At the next start 2WIN Software will be loaded with the selected language pack.

Follow these instructions to return to the default English translation:

1. Connect 2WIN to your PC through the MicroUSB cable
2. Create a new text file named '*resetTranslation.xxx.txt*' in the 'TR' folder
3. Safely remove the MicroSD device from your PC and disconnect your 2WIN from the PC
4. Reboot your 2WIN
5. At the next start 2WIN Software will be loaded with the default English translation.
